The Satanic Bible

Synopsis

Called "The Black Pope" by many of his followers, Anton La Vey began the road to High Priesthood of the Church of Satan when he was only 16 years old and an organ player in a carnival: "On Saturday night I would see men lusting after halfnaked girls dancing at the carnival, and on Sunday morning when I was playing the organ for tent-show evangelists at the other end of the carnival lot, I would see these same men sitting in the pews with their wives and children, asking God to forgive them and purge them of carnal desires. And the next Saturday night they'd be back at The carnival or some other place of indulgence." I knew then that the Christian Church thrives on hypocrisy, and that man's carnal nature will out!" From that time early in his life his path was clear. Finally, on the last night of April, 1966â "Walpurgisnacht, the most important festival of the believers in witchcraftâ "LaVey shaved his head in the tradition of Ancient executioners and announced the formation of The Church Of Satan. He had seen the need for a church that would recapture man's body and his carnal desires as objects of celebration. "Since worship of fleshly things produces pleasure," he said, "there would then be a temple of glorious indulgence . . ."

Book Information

Mass Market Paperback: 272 pages

Publisher: Avon; 1st edition (December 1, 1969)

Language: English

ISBN-10: 0380015390

ISBN-13: 978-0380015399

Customer Reviews

I have owned this book for quite some time and have read it several times through. When i first purchased it i wasn't looking for a religious experience, nor did i find one. I have always been an Atheist and i like reading about the world;'s many religions so i can offer a non-biased view of this book. Most christians would have you believe that the Satanic Bible is a 'set of rules' one would

follow on the pathway to Hell, yet it is not. On the contrary, a 'true' Satanist' does not indulge in the many wicked practices church-goers would have you believe. Of course, that is because they are only repeating what they have been told by the preacher of their said church. Satanists hold the physical body of man and woman on high as a temple, much like Christianity, and do NOT perform rituals of bloody sacrifices at night in the nude. Just as Christians are bound by the 7 virtues, Satanists hold the so called 'seven deadly sins' high up to keep their way of life a good one. Here is a part from this very book for reference about this: "The seven deadly sins of the Christian church are: greed, pride, envy, anger, gluttony, lust, and sloth. Satanism advocates indulging in each of these 'sins' as they all lead to physical, mental, or emotional gratification. A Satanist knows there is nothing wrong with being greedy, as it only means that he wants more than he already has. Envy means to look with favor upon the possession of others, and to be desirous of obtaining similar things for oneself. Envy and greed are the motivating forces of ambition--and without ambition, very little of any importance would be accomplished. Gluttony is simply eating more than you need to keep yourself alive.

When I was a teenager, the Satanic Bible was considered to be the worst and most dangerous book ever written, with the possible exceptions of "Mein Kampf" and "The Anarchist Cookbook". Everyone was talking about it, but nobody had actually read it. I believe they sold copies of it in some dim lit corner of the local science fiction bookstore. Naturally, the Church of Satan were considered to be dangerous extremists, and their black-painted church in San Francisco sure looked spooky. Or did it? Well, not really. When I finally read "The Satanic Bible", I was very disappointed. *This* is supposedly the most dangerous book ever written?! You gotta be kidding. And, of course, Anton Szandor LaVey *is* kidding. His Church of Satan isn't really Satanist at all, and uses the designation mostly to provoke people, Christians in particular. If anything, "The Satanic Bible" is libertarian and hedonistic. When I read it, it struck me that the morality of LaVey, considered shocking 40 years ago, is actually embraced by most people today. Has the West gone Satanic? Hardly, but it has become more overtly secularized, liberal and hedonistic than it was on Walpurgisnacht 1966, when LaVey supposedly shaved his head and formed his black arts organization. True, the Satanic Bible does contain statements that sound distinctly fascist. But it's obvious from context that this is simply another provocation, especially since these portions are deliberately plagiarized from a 19th century parody of Social Darwinism, "Might is Right". LaVey actually condemns most practices usually associated with Satanism: human sacrifice, rape, wanton violence, child molestation. Ironically, if people would follow the precepts of the Satanic Bible, they would probably be better behaved than

they are!
