Arms Control And Cooperative Security

Synopsis

Reflecting the current debate about the value of traditional arms control in today's security environment, "Arms Control and Cooperative Security" thoroughly covers this complex topic. The authors critically review the historical record, highlight recent changes in the security arena, and consider the likelihood of new arms control agreements. Throughout, the discussion is presented in the context of international relations theory. The result is a comprehensive assessment of the present state and likely future of arms control and cooperative security - especially relevant as many of the treaties crafted during the Cold War are nearing their expiration dates.

Book Information

Paperback: 288 pages

Publisher: Lynne Rienner Pub (July 2009)

Language: English

ISBN-10: 1588266605

ISBN-13: 978-1588266606

Product Dimensions: 0.8 x 6 x 8.8 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)
