Warship 2016

Synopsis

Warship 2016 is devoted to the design, development and service history of the world's combat ships. Featuring a broad range of articles from a select panel of distinguished international contributors, this latest volume combines original research, new book reviews, warship notes, an image gallery, and much more to maintain the impressive standards of scholarship and research from the field of warship history. This 38th edition features the usual range of diverse articles spanning the subject by an international array of expert authors.
