Red Sox Fans Are From Mars, Yankees Fans Are From Uranus: Why Red Sox Fans Are Smarter, Funnier, And Better Looking (In Language Even Yankee Fans Can Understand)

Synopsis

A tongue-in-cheek look at the complicated love-hate relationship between Red Sox and Yankees fans, how and why it developed, what accounts for the animosity and the grudging respect, and why it continues to dominate the baseball landscape, this book provides the only well-constructed tutorial on how both tribes can peaceably coexist. With only around 200 miles of terra firma dividing the two capitals of the "Empire" and the "Nation" Wasif attempts to bring peace to the Northeast through understanding. The humorous book also has key terms, charts, testimonials, quizzes, and even drawings that will save fans from emotional distress and time-consuming arguments.

Customer Reviews

I got this as a gift for someone from Boston. The title kind of sums up the books premise. Not being into sports that much, I am surprised that there is so much animosity between the two teams! (o.k., sarcasm!) I think this would be a good book for any Red Sox fan, and the Holidays and/or birthdays are always approaching! NOTICE: I did NOT receive this product for free to make an "unbiased" review. I paid for it myself. I have NOT received any compensation to review the product. The above review is my opinion after having purchased and/or used the product. SO THERE!

It was o k....as a lifelong redsox fan who lived for a while in Brooklyn, I was anticipating more 'juicy' stuff. The author (in my opinion) settled for an easy story in what could/should be much more "juicy". I will send it on to my oldest son who is a Bosox fan. I am sure ho too will say "where's the beef?"

The title definitely drew me in and every page is humorous and enjoyable. I love how Wasif describes the characteristics of Red Sox and Yankees fans, most of them being quite accurate or at least believable. As a huge, dedicated Red Sox fan, I think this book is a great read.

Perhaps it was my perspective as a Mets fan, but I thought Andy struck precisely the right balance between Red Sox and Yankees fans in this tome. I laughed, I cried, I learned to love again. Not from the book itself, but I think, without question, that it played a key role. Fully recommend this to people who are able to read.

I love the title. My b-i-l is a die hard Yankees fan and I love the Braves and any team beating the Yankees! this is his christmas gift, (he has a good sense of humor)

Bought as a gift for a friend, a Sox fan. He and another mutual friend, a Yankees fan, both had a good laugh.

Would love to review... Ordered on Dec 19th, 2013. It is now March of 2014. The message I keep getting from is that the seller needs more time. Really??? Was supposed to be a Christmas present. My husband's birthday is in November. Maybe it will come in time for that.

Great gag gift or for any Red Sox fans out there!
