Word By Word Picture Dictionary Beginning Workbook

Synopsis

The Word by Word Vocabulary Development Program presents vocabulary through full-color illustrations and an outstanding array of support materials. The unique conversational approach of the Word by Word Picture Dictionary gives students communication practice with every word and provides the key vocabulary students need to know in a wide range of relevant topics and situations. Exercises are designed to work equally well in single- and multi-level classes. Exercises offer reinforcement through reading, writing, and listening comprehension practice. Audio programs are available for each workbook.

Customer Reviews

I tutor English to ESL students and combine this workbook with the Word By Word Picture Dictionary. This workbook is perfect to those between beginners and intermediate levels of English proficiency. The workbook has helpful exercises and helps the student apply the vocabulary learned in the dictionary. I especially like how the student is forced to visually associate words with meanings rather than jump to their native language for a definition. I highly recommend this book!

Wonderful accessory to assist in teaching ESL students

just what we needed
