I ordered from , got free one day shipping, and received all 4 books as promised. It seems the prior issues have been resolved. I just received the books last night so I can't speak to the quality of their content, but just wanted everyone to know it appears the prior issues have been resolved. Buying this bundle saves about \$30 over buying individually.

Price of ~ 4 books, advertised as 4 books, only contains two. Also takes about two weeks to ship.

Received 4 books also.
