McGraw-Hill's LSAT Logic Flashcards

Synopsis

The 400 essential rules you need to know to master LAST Logic--all in one box! McGraw-Hill's LSAT Logic Flashcards is your edge in conquering the LSAT. Expert author Wendy Hanks has selected 400 key rules that frequently appear on LSAT exams to help you achieve up to a 180 maximum score. The best part is you can use these flashcards wherever you are--at home, at the library, on the bus, anywhere! You can use these flashcards to memorize rules--thanks to engaging explanations--or to quiz yourself to check your progress. However you use them, McGraw-Hill's LSAT Logic Flashcards will help you achieve your desired score.

Customer Reviews

Very helpful! Great tips and explanations. Helps you further understand logic games and logical reasoning. Shapes your brain to the LSAT way of thinking.

The Kindle version is missing all of the example questions so it's pretty much useless. Don't waste your time.

Its more like a book broken down to 400 flash cards but still great information.

Very basic, only after reading the first 20 flash cards did I realize the way these cards were going to help prepare you for the LSAT. I think Kindle version could be better, I am not sure how the actual

flashcards compare with the program

The cards are really "busy" to read. Convenient, but dizzying.

I can see that if I read through these flashcards at least five times, then I will become very familiar with the logic and reasoning games well enough to feel confident when I do the practice tests.

Great Product well worth the price it gives you a comprehensive look at the foundation of the LSAT.

Helped study for LSAT but not great preferred other items to study with
