The Death Of Aztec Tenochtitlan, The Life Of Mexico City (Joe R. And Teresa Lozano Long Series In Latin American And L)

Synopsis

Winner, Book Prize in Latin American Studies, Colonial Section of Latin American Studies Association (LASA), 2016ALAA Book Award, Association for Latin American Art/Arvey Foundation, 2016The capital of the Aztec empire, Tenochtitlan, was, in its era, one of the largest cities in the world. Built on an island in the middle of a shallow lake, its population numbered perhaps 150,000, with another 350,000 people in the urban network clustered around the lake shores. In 1521, at the height of Tenochtitlan's power, which extended over much of Central Mexico, Hernando Cort s and his followers conquered the city. Cort s boasted to King Charles V of Spain that Tenochtitlan was "destroyed and razed to the ground." But was it? Drawing on period representations of the city in sculptures, texts, and maps, *The Death of Aztec Tenochtitlan, the Life of Mexico City* builds a convincing case that this global capital remained, through the sixteenth century, very much an Amerindian city. Barbara E. Mundy foregrounds the role the city's indigenous peoples, the Nahuatl, played in shaping Mexico City through the construction of permanent architecture and engagement in ceremonial actions. She demonstrates that the Aztec ruling elites, who retained power even after the conquest, were instrumental in building and then rebuilding the city. Mundy shows how the Nahuatl entered into mutually advantageous alliances with the Franciscans to maintain the city's sacred nodes. She also focuses on the practical and symbolic role of the city's extraordinary waterworksâthe product of a massive ecological manipulation begun in the fifteenth centuryâto reveal how the Nahuatl struggled to maintain control of water resources in early Mexico City.

Book Information

Series: Joe R. and Teresa Lozano Long Series in Latin American and L

Hardcover: 256 pages

Publisher: University of Texas Press; 1 edition (July 15, 2015)

Language: English

ISBN-10: 0292766564

ISBN-13: 978-0292766563

Product Dimensions: 8.5 x 1 x 11 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 starsÂ See all reviewsÂ (2 customer reviews)

Ancient Civilizations > Aztec #1063 inÂ Books > History > Americas > Mexico #2350 inÂ Books > Arts & Photography > Architecture > History

Customer Reviews

Mundy's ability to illustrate the indigenous agency in Mexico/Tenochtitlan well into the early 17th century cannot be overstated. While there are many texts that purport to do this, Mundy takes it to the next level with heavy interdisciplinary influence. I constantly find myself referring back to this book as I continue my studies, as it serves to demystify the time period and shatter the myth of Spanish hegemony (at least early on). The indigenous were in the city, and they were speaking, litigating, building, and engraining themselves in the colonial political process. Mundy makes those voices resonate in a way no other text has, in my opinion.

An instant classic!
