Customer Reviews

I just wanted you guys to know how thin the book is compared to his other books.Although the book is super thin, it’s worth $4... i mean come on... $4.... but nonetheless, RH Sin is GOAT and the content is good.

Wish there would have been more info on the book before I purchased it. Wouldn’t have spent the money on it.There are a few okay poems. But the majority are just man-hating feminist poems (see attached pictures). The same way not all women are the same, not all men are the same.Based on these poems, if the gender rolls were reversed, people would be flipping lids.To each their own. I love poetry, but I don’t recommend the book.

Love it & came exactly on time
