# Marye's Heights: Fredericksburg (Battleground America)

## Synopsis

Fredericksburg was one of the most tragic battles of the Civil War. No sector was more hotly contested than the area held by Longstreet's troops and known as Marye's Heights. While the heights seemed impregnable to the charging Union troops, Longstreet's men took heavy casualties and many times felt they were on the point of being overrun. The latest Battleground America volume covers the actions, units and personalities of this key section of the Fredericksburg battlefield and describes in detail the area as it was in 1862 and the national park that occupies the site today.

## Book Information

Series: Battleground America

## Customer Reviews

When one thinks of the Civil War the battle of Gettysburg always seems to come to mind. What many do not understand is that the war was full of horrible engagements such as Fredericksburg. Victor Brooks is an outstanding and clear military historian. If you want to know a little more about this underdone battle, this is the book for you.
