Lee's Terrible Swift Sword: From Antietam To Chancellorsville: An Eyewitness History

Synopsis

From Antietam to Chancellorville, this is an eyewitness account of the man himself, his ambitious and powerful successes against a poorly led foe which helped to promote an overconfidence that he could go North again, to Gettysburg, and win.

Book Information

Hardcover: 430 pages

Publisher: Castle Books (May 15, 2008)

Language: English

ISBN-10: 0785817123

ISBN-13: 978-0785817123

Product Dimensions: 6.2 x 1.8 x 9.2 inches

Shipping Weight: 1.8 pounds

Customer Reviews

Wheeler's eyewitness books on the Civil War are extraordinary. He tells the tale of his subject through the words of others, people who experienced or lived through the war. He adds little to the quotations other than transitional paragraphs or set-ups for the next author that he is quoting. Wheeler merely assembles the texts into book form. And that is exactly what makes his books extraordinary. Through careful selection of the statements and/or writings of his contributors he weaves an outstanding story that makes for compelling reading, and remarkable history. I have read over 750 books on the Civil War: scholarly works, first-hand accounts, memoirs, analyses, critiques etc. These "eyewitness" books are amongst the best, particularly since the authors are so numerous, their memories so vivid, and crafted by the solid hand of a master aggregator to tell a complete and authentic tale from the disparate pieces. Wheeler's books are well worth reading. My sole complaint is that he was unable to devise an effective footnoting scheme so the interested can follow the tales of the speaking parties by reading Wheeler's source material first hand. But, since his works are drawn from so many voices, footnoting would detract from the superb presentation of the story.

This is one of the best books I have read about the Civil War. This book takes you right into the battles from Antietam to Chancellorsville. I love the maps and illustrations. This book is an eyewitness account of these battles. I would highly recommend this book to History and Civil War Buffs.

I can't put this book down! It is well written with a lot of first-person accounts. It is definitely a keeper for my Civil War collection. Don't hesitate to purchase this book.

Great in-depth stories. Felt like being there at the time. Highly recommend.
